

# DenverLocalGarden.com

“Consumer demand for organic has grown by double-digits nearly every year since the 1990s. Most impressively, organic sales have increased from \$3.6 billion in 1997 to \$43.3 billion in 2015.”

-Organic Trade Association

## DenverLocalGarden.com

DenverLocalGarden.com is a community for the organic and natural foods consumers, growers and livestock producers in the five county Denver Metro area.

With a growing population of over 2.8 million residents, and a median age of 37, the Front Range has over 42% of residents between the ages of 30 and 59.

Over 56% buy some form of organic food every week.

Organic produce sales have experienced double digit growth over the past 4 years.

DenverLocalGarden.com is designed to capture the interest of the entire spectrum of natural and organic consumers and to change how the people of the Denver Metro area think about local food, food products and Denver's organic food community.

As a DenverLocalGarden.com sponsor your brand will directly benefit from our market positioning and share the branding experience as we develop awareness of our target market.
